ALIFEROUS 2023

The Founders Day celebration at SRCS was a tremendous success, showcasing the abundant talent within the student body. The event included captivating exhibitions in art, science/STEM, and pottery, effectively highlighting the dedication of the young artists and scientists involved. The event featured captivating art, science/STEM, and pottery exhibitions, highlighting the dedication of young artists and scientists. Parents and guests were greeted with these dazzling displays before being led to the kund for the sun-lit theatre performances in the early evening. The theater showcased dynamic dance performances, featuring both thrilling Western and classical renditions, accompanied by harmonious music recitals. Additionally, a concise adaptation of Shakespeare's 'Macbeth' infused a dramatic touch into the overall presentation. Transitioning from the sun-lit theatre, the Founders' performances unfolded on the field. The event resumed with inspiring speeches from Chief Guest Brigadier Ashok Abbey, Chairman, Principal and school head girl and head boy, followed by an award distribution for the awards of excellence. The rainbows presented a cheerful adaptation of 'Peter Pan,' while senior students performed 'Andho Ka Hathi,' a satirical play by notable satirist late Sharad Joshi, offering a thought-provoking perspective on Indian democracy. Despite the reflective moments, the grand finale united all participants, leaving a lasting impression on everyone who attended. Aliferous 2023, from exhibitions to performances, was truly memorable.

Commerce department workshop for commerce students of classes 9-12

The Commerce Department facilitated a practical exploration of stock market dynamics for students. The activities included hands-on experiences such as engaging in live trading with a minor capital investment, understanding market parameters affecting stock fluctuations, calculating profits, and gaining insights into concepts like stop loss, insider trading, and grey markets. Our dedicated educators also delved into the intricacies of Future and Options, ensuring a comprehensive understanding of financial markets. The live-streaming session was adeptly executed, digging into relevant theories. Robust audience interaction, manifested through dynamic comments and inquiries, underscored the session's resonance. Technical facets operated seamlessly, guaranteeing a fluid viewing milieu. In summation, the session effectively realized its objectives.

AWARDS OF EXCELLENCE

**National Yogasana sports championship:
“Face the Discomfort and You Will Be Rewarded’**

योग: कर्मसु कौशलम्।

Yoga is excellence in action.

Aripa Roy, our Grade 11 student, showcased exceptional prowess representing Uttarakhand at the 48th Sub-Junior and Junior National Yogasana Sports Championship in Guwahati. Her performance not only reflected dedication but also enabled her to gain invaluable experience.

IKFF- International Kids Filmfare

SRCS launched a one-of-a-kind film festival, IKFF - World's largest Children's Film Festival.

In a world overwhelmingly influenced by screens and visual content, this film festival provided our students with a valuable opportunity to gain insights into diverse cultures, languages, stories, experiences, and social issues. There were films for different age categories and for educators and parents as well. It was an enthralling experience for everyone.

Activity on self awareness and emotional intelligence

This week, the Rainbow class teachers at SRCS initiated a two-day exploration of self-awareness with their students, delving into the realms of happiness and sadness. The students actively participated in meaningful discussions, sharing joyous moments within the school and openly discussing sources of unhappiness. The primary focus of these sessions was on cultivating a deep understanding and respect for oneself and others.

Symbolic bands worn on the hands played a significant role in this initiative—one to identify instances of bullying and the other to celebrate acts of kindness. Through engaging scenarios, our students refined their emotional intelligence, learning to distinguish between respectful interactions and behaviors indicative of bullying. At SRCS, our unwavering commitment to fostering a positive and inclusive environment remains a top priority.

Origami workshop for boarder

“Art is not an object, art is an experience.”

- Josef Albers

Boarders at SRCS are constantly motivated to enhance their skills and employ their free time in creativity. Students from grades 4 to 8 at SRCS enjoyed a fascinating session on origami art. Exploring its origin, history and fascinating facts of this craft, both students and the teachers embraced the learning experience. Despite initial struggles with paper folding, perseverance prevailed, leading to interesting creations. The session concluded with an inspiring short film, leaving the valuable takeaway: “Persist in hard work, for every problem has a solution.”

- Aadya Singh (XI-H)

**Art enables us to find ourselves and lose ourselves at the same time.” – Thomas Merton.
SRCS takes immense pride to acknowledge our skillful and soulful art enthusiasts
Taranpreet Kaur, who secured 1st place and Yamini Semwal, who earned a Special Mention
in the AJF Arts Competition 2023 (Category -D)**

UT2 and Pre-board revisions

As the countdown to Pre-boards and Unit Test 2 began, our dedicated teachers were in action—leading doubt-clearing sessions, conducting revision tests, and providing guidance to ensure our students feel confident and ready for the challenges ahead. Revision plays a vital role in enabling students to reduce stress and anxiety. It makes them well prepared and boosts their confidence to achieve results.
