

DECEMBER

Beneath the Silver Sky: December's Elegance Unfolds

A DAY OF TRIUMPH, UNITY, AND HOUSE SPIRIT AT SRCS!

As the legendary athlete Jesse Owens once said, "We all have dreams. But in order to make dreams come into reality, it takes an awful lot of determination, dedication, self-discipline, and effort."

On December 14th, our school grounds transformed into a vibrant arena of energy, sportsmanship, and house pride as we celebrated Sports Day 2024! We were honored to have Ms. Chitra Kulathummuriyil Sonam, an Arjuna Awardee, as our esteemed Chief Guest, along with our visionary Chairman, Mr. Anil Garg, Director, Mr. Gaurav Garg, and Principal, Dr. Arvindanabha Shukla, who inaugurated this grand event. Our students embodied the spirit of determination and dedication, showcasing exceptional sportsmanship and teamwork throughout the day. A big shoutout to all our houses for their enthusiasm and stellar participation! Special congratulations to Griffin House for bagging the Best March Past and Overall Trophy of Excellence!

Together, we're shaping future-ready leaders and nurturing excellence every step of the way.

ATHLETIC MEET ' 2024

NAVIGATING THE DIGITAL AGE TOGETHER

“E-learning isn't the future of education, it's the present. It's up to us to innovate and improve it.”

Our Computer Science Department recently hosted Digital Literacy Week, a dynamic initiative designed to equip students of all classes with vital skills for the digital era. From December 2nd to 7th, students participated in engaging sessions on web development and Canva, seamlessly blending creativity with technology. Moreover, the program emphasized crucial lessons on digital safety, empowering our young learners to navigate the digital landscape with confidence and security. At SRCS, we recognize that digital literacy is not merely a skill but a fundamental building block for success in today's technology-driven world. Our commitment remains to craft a curriculum that fosters excellence in every student, preparing them to thrive in an increasingly digital future.

कदम बढ़ाओ, बदलाव लाओ

The talented Grade 2 students of Rainbows stole the show with their outstanding Nukkad Natak performance, shedding light on the detrimental effects of excessive mobile phone usage. Through a captivating blend of drama and storytelling, they vividly depicted how overindulgence in mobile devices can compromise the physical and mental well-being of young minds. As the presentation drew to a close, the Rainbows students made a heartfelt pledge to reduce their mobile usage in daily life, leaving a lasting impact on the audiences.

Flying High: The Class of 2024

A day full of excitement, memories, and heartfelt farewell, SRCS said goodbye to the graduating class of 2024 on December 19. In an atmosphere of celebration and introspection, friends, instructors, and students united to commemorate this momentous occasion. With special memories, words of support, and sincere promises to stay in touch, the farewell captured the conclusion of an incredible trip. We congratulated them on their achievements and wished them well in the future, knowing they would succeed greatly. At SRCS, the Class of 2024 has left a lasting legacy, and we are proud of the extraordinary ways they will go forward.

Jamboree 2024

Jamboree 2024 was lit up by the lively energy of SRCS on Saturday, December 21st. For both staff and students, this yearly festival offered happiness, laughter, and treasured memories. Our committed educators set up a variety of interesting booths with fun games and activities that thrilled everyone. There was something for everyone to enjoy, from talent tests to plain enjoyment! Delicious food vendors and upbeat music enhanced the joyous atmosphere, making it a sensory extravaganza for everyone. The much-anticipated raffle ticket lucky draw, in which a number of fortunate winners received incredible prizes, was the day's high point.

INTER-HOUSE CAROL SINGING COMPETITION

As the warm winter sun cast its gentle glow on the KUND of our school, the SRCS family gathered together to kindle the festive spirit with an enchanting Inter-House Carol Singing Competition. The air was filled with the sweet sounds of Christmas carols as each house mesmerized the audience with their melodious performances. As the legendary singer Bing Crosby once said, "Christmas is a time when people of all ages can put aside their differences and come together to celebrate the joy, love, and peace of the season." Indeed, the SRCS fraternity embodied this spirit of unity and joy, spreading festive cheer and warmth throughout the event.

And so, as we break for winter vacations, we carry with us the memories of this special day, filled with music, laughter, and love. Wishing everyone a very Merry Christmas, may your hearts be filled with the magic of the season, and may your spirits be lifted by the joy and harmony that surrounds us.

EVERY SCENE EVERY HOUSE A MASTERPIECE, A CONTENDER!

As the legendary playwright, Tennessee Williams, once said,
"The theatre is a place where one has the privilege of listening to people's dreams."

On December 11th, our students from grades IX-XII dazzled the audience with their theatrical prowess in the highly anticipated Inter-House One Act Play competition.

With 'Tragedy' as the thought-provoking theme, the performances masterfully explored the complexities of human emotions, weaving a rich tapestry of mythological and everyday narratives.

Our students' outstanding performances not only showcased their dedication but also brought to life the original concepts envisioned by our talented house mentors. Our drama teacher gave a new look to every act with his technical wizardry in theatre.

RALLY FOR GLORY: STAFF BADMINTON TOURNAMENT

“Almost everything will work again if you UNPLUG it for a few minutes... Including YOU”
With a mission to replenish themselves, the SRCS Staff Badminton team participated and made their way into the finals of the Inter-School Staff Badminton Tournament 2024, held at St. Thomas' College, Dehradun.
All five participants—Mr. Kranti Singh Azad, Mr. Ravi Shankar, Mr. Narendra Singh Jhinkwan, Mr. Sudhir Singh, and Mr. Umesh—put up a stellar game. Congratulations to the team for emerging as the runners-up in the tournament. We couldn't be more proud of ourselves.
